Firstly a thank you to you all for riding the event and riding hard and safe. The overnight rain made for some interesting water features but at least where it didn't envelop the road entirely the water highlighted the pot holes!

Results will be published on the event page, two summaries below by machine type. Prize winners as per tables.

For all of you listed as prize winners can you please either text or email me your bank details so I can arrange payment.

If you have any questions or queries relating to the results please do not hesitate to contact me. I am open to feedback regarding the event to improve it for the future, again please contact me if you have anything to share either positive or negative.
