Results

May I express many tanks on behalf of Holmfirth to all the riders, helpers, marshals and officials that made the event not only possible but extremely enjoyable. It was a great feeling to get back to some sort of normality with a HQ and catering, tis in turn bring back the social feeling at events once again

Fantastic rides on the day, many leaving the event with new personal best times.

Awards were presented after the event to riders still present, however, if you are named on the results table and not yet received your prize please contact me with your bank details and funds will be transferred by our treasurer by BACS
