Thanks from the organiser and all Wrexham RC members

A big well done to all of the prize winners of the day, I hope you enjoyed it and the weather remained kind to us yet again albeit a bit windier than usual which made it a tough day in the saddle.

A special thank you to all the marshals/helpers for making the event run really smoothly on the day as it made it the easiest event I have done at the Horseshoe Pass and that's all down to the support I had, so Leah Bradshaw-Williams, Lucy Bukeley, David Spencer, Gareth Sanger, Richard Evans, Steve Jones, Fergus Murray, Ian Hawkins & Roger Squire, please take a bow.

Massive thank you to the start timekeeper Dominic McGuiness, Finish Timekeeper Kate Wooder and her assistants the Legend that is Gill Morrison and Mandy Squire who were impeccable on the day.

More thanks to Simon Clemence and staff in the Ponderosa Restaurant for the use of facilities, making us welcome, excellent food and enabling us to set up the result board and prize presentation.

I now bow out from the organising of this event to give someone else a go to organise this fabulous event so a final thank you from me for being part of the 5 events I have run. We hope to see you all again next year for our 38th edition of the Wrexham RC Hill Climb.

In the meantime our **Mountain TT in April 2020** incorporates in the event 'The Horseshoe' as a prime. So you can have another go at it as a good warm event to the new 2020 season.
