Thank you to all the officials, Croft Management and competitors and their supporters, for making this the most successful of the VTTA Closed circuit championships run to date.

Lost Property: I thought, by someone leaving the, I had inherited a pair of Oakley sunglasses, but alas, it was just the hard case. If the owner wants it back, can you let me know & I shall post it to you free of charge.

Donations: The dish on the drinks table for the donations raised the handsome sum in excess of £110. This together with donations from the previous 2 “Come & Try It” events means we have raised in excess of £230 so this year for our chosen charity, The Great North Air Ambulance Service (GNAAS). **Thank You**

Support: Please continue to support the Cycling Time Trial future events in your area (and especially in the VTTA North Group Area), so that organizers can be recognised and appreciated for all the hard work they put in to ensure events go ahead.

Thanks again for supporting us at this event and remember that the Teesside district, with many of today’s supporting staff, are organizing the 2023 RTTC/CTT National closed circuit championship on Croft on Sunday 8 October. This is the event normally held at Thruxton.

If You require to become more familiar with the Croft Circuit, Teesside district have **TWO** further “Come & Try It” events (Wednesday 19 July & Wednesday 9 August). As they are classified as club events (Type B), you do not have to pre-enter, just turn up on night. You will be very welcome

On behalf of the Croft Organizing Team - Gavin Russell & Paul Kitson

Veterans Time Trials Association

Competitive Cycling for Life

OVER 40? BE YOUR BEST!

Angela Carpenter
2021 VTTA Women's
National Champion at 10,
15, 25, 30 & 50 miles

Andrew Meilak
2021 VTTA Men's
National Champion at
100 miles

If you are over 40 and time trialling is your thing, then join the VTTA.

The VTTA encourages all aged 40 and over to strive to be the best they can.

YOUR best will be recognised.

We have almost 3000 members spread between 16 regional groups so provide UK wide activity. We promote about 100 time trial events a year, including eight national championships from 10 miles right up to 24 hours; we also run three season long national competitions over a range of distances. The local groups also offer competitions and awards for their own members.

All events and competitions are run on an age handicap system which is gender specific, so women and men of all ages compete on an equal footing and have an equal chance of winning a prize.

Riders can also compete 'against themselves' in individual challenges called 'Standards', in which your performance is compared against previous seasons.

We also manage national and group age records for men and women at the different time trial distances and on velodromes.

Members receive four magazines per year and our annual handbook, either in print or digitally.

Membership fees vary by group (due to varying localised costs and member benefits) but is typically £15 to £20 plus a modest additional optional fee for Standards entry. Most members retain membership of their cycling club whilst a VTTA member, but you can join the VTTA and race with it as your main club.
